For International Medical Graduates

Although the CPSO (College of Physicians and Surgeons of Ontario) no longer requires to complete TOEFL for licensing purposes, applicants to clinical fellowship training programs in the Department of Medicine are required to successfully complete the TOEFL where:

- ✓ your first language is neither English nor French, or
- ✓ your medical school and language of patient care was in a language other than English or French, or
- ✓ you have not taken a minimum of 4 years postgraduate training in North America.

Please note the director of our fellowship program may choose to waive the TOEFL. This is assessed on an individual basis.

**A minimum of six months from the time your paperwork is received in congenital program office is required to process your Canadian Visa.*

Please send the following documents to: torontoachd@uhn.ca

- > **CV**
- > **Entry Statement**
- > **Completed Preliminary Questionnaire**
