A Message from the 2025 CACH Net Annual Achievement Award Winner

Dear CACH Net Members,

I'm truly honored to be the recipient of the 2025 CACH Net Annual Achievement Award, and I want to extend my heartfelt thanks to the Nomination Committee and to the CACH Net community.

This recognition is deeply meaningful to me - not only as a personal milestone, but as a reflection of the incredible journey we've shared in adult congenital cardiology. I feel privileged to have worked alongside such passionate, brilliant, and generous colleagues and mentors across Canada and across the globe.

I'm especially grateful for the spirit of collaboration that defines the ACHD family. The achievements we celebrate are never the result of one person alone, but of the collective dedication, insight, and support we bring to each other and to our patients every day.

With heartfelt appreciation,

Dr. Erwin Oechslin
